WINTER/SPRING 2011

### ANNUAL MEETING HIGHLIGHTS

The annual meeting of the Fort Hill Rifle and Pistol Club (FHRPC) was held on Friday, February 4, 2011. The meeting was held at the Allegany County Career for Technical Education in their auditorium on McMullen Highway. The topics of interest were Land acquisition, Article 3.1 Membership Eligibility, Election of Officers, Proposed By-Law Amendment change, Shooting Times at Morningside, Protective Barrier at Morningside, and New Roof on Club House/Pavilion.

#### LAND ACQUISITION?

Cliff Bennett spoke for the committee appointed at the special meeting held in July. He reported that the land in question is tied up with liens against it, and was not quite sure of all the legal ramifications tied up with the land. Cliff gave way to Mark VanTyne, club member and local Realtor with more information. Mark stated that the owner has liens with the IRS and Allegany County, plus a bank is foreclosing on the land owner's home. Mark informed the club members present that after the foreclosure of the home and the debts are satisfied this should resolve the issues against the property in question. The owner is aware that FHRPC is interested and in Mark's opinion the 40K that we offered is adequate for the real estate market we find in Allegany County at the present time. Land Acquisition left opened.

#### ARTICLE 3.1, MEMBERSHIP ELIGIBILITY

United States citizenship requirement necessary, was tabled at last year's annual meeting (2010). It was brought up for possible discussion by Secretary, Marvin Smith to see if membership wanted to untable this motion, Mike Shay moved to take from the table. This action followed with some brief discussion, Cliff Bennett made a motion, "To leave by-laws as is", seconded by Wayne Belloff. Vote taken, motion carried by overall majority. United States citizenship is required for membership.

## SHOOTING TIME AT RANGE #1 CHANGED

Changing the shooting time at Morningside Range from 1000 (10am) to 0900 (9am) on Saturdays and Sundays was brought up for discussion at the annual meeting. After a brief discussion a motion was made and seconded to change the shooting starting time to 0900 (9am). Motioned carried, shooting may start at 0900 hours on weekends, effective immediately.

## NEW CLUB HOUSE ROOF & PAVILION

Secretary, Marvin Smith brought up for discussion that he was aware that the club house roof was showing its age. Clayton Blume picked up the discussion and after brief remarks from the membership; Clayton made a motion for a new roof with adjoining pavilion. Frank Snyder seconded the motion, motion carried.

The Roof and pavilion project is being discussed and planned by Executive Committee and Range Development Committee members and club members with interest in guiding the project through fruition.

## PROTECTIVE BARRIER AT MORNINGSIDE

Safety is always a major concern with the officers and the membership of FHRPC. The area between the parking lot and the 100 yard shooting deck at Morningside became a concern of the officers, after concerns were expressed by shooters and members participating in the Action Pistol Championship weekend in August.

A meeting of the Executive Committee and members of the Range Development Committee was held on Monday, March 7, 2011 at 5:30 p.m. to discuss ideas on a protective barrier or barriers at the 100 yard rifle range. Ideas and concerns are;

- Wooden Walls Gravel Filled with Hardware; Estimate \$6,000 for 50-60 yards.
- Stackable Blocks, Estimate \$10,000, plus Delivery, plus Set-up, for 50 yards.
- Earthen Berm, from 50 yard target line to 100 yard impact berg.
- Protective barrier along Northeast side of 100 yard range.
- Possible straightening out and squaring up the 22.5 degree shooting angle at the 100 yard range.

These ideas and concerns were tabled after EO Marty Harsh suggested he approach Steve Lancaster, club member and ATK draftsman about drawing concept drawings. As of this writing Steve is on board to do the drawings. The drawings will be displayed for club members to view at Morningside and voice their opinions and ideas. The next meeting of the two committees will be Monday, April 4th at 5:30 p.m.

## CMP KIMBER MODEL 82/.22LR AVAILABLE

ATTENTION anyone interested in small bore rifle shooting. The FHRPC has the opportunity to purchase Kimber Model 82 Gov. 22 LR rifles at a reduced cost from CMP. These are high quality target rifles designed for the U.S. Military and include match style aperture sights. A certain number of these rifles are being sold at a reduced cost due to cosmetic defects. Several members of the club have already purchased these rifles and found the defects are generally grease on the rifle and a mark where the knife may have scraped the rifle when the package was opened. The cost for a rifle is \$400 plus handling. The CMP has two requirements for purchasing these rifles. (1) They must be held in the purchaser's possession for one year and may not be resold during that time period. (2) They are to be used by the owner/member/guest at an affiliated shooting club for marksmanship training. The FHRPC has several times a week when you could enjoy using these rifles. Informal off-hand shooting is done on Monday evenings starting 4:00-5:00 p.m. and small bore prone on Friday evenings at 6:00 p.m.

Take advantage of this opportunity and improve your shooting skills by participating in one of the Small Bore Leagues. For more information contact Cliff Bennett at 1-304-790-0441.

## GRAINS OF INFO

- BR-50 League, Clayton Blume reported that BR-50 had an average of eleven shooters and doing well. Precision shooting is the hallmark of these shooters. League shooting starts the last Wednesday in April, which is the 27th at 6:00 p.m.
- Muzzleloaders, Fred Kreiger reported 8-12 shooters, inline shooters are welcomed to come out and shoot. 2011 League will start Monday, April 4th, starting time varies between 4:00 and 6:00 p.m., whatever time fits your schedule. Shooting will be every Monday thru the first Monday in October.
- 2011 Rendezvous, Scheduled to start at 9:00 a.m. on Sunday, October 2, 2011 at WMR2. This high-power and muzzleloader event is a great time to shoot and have fun, eat free food, and find some wanted items in our member provided swap meet. More details later.
- The officers would like to request being able to contact club members via email. Our postage expenses will be greatly reduced and you could be notified of club activities and events, range closures, newsletters, league schedules or changes in schedules, work parties, and generally be kept abreast of what's happening in your club and at the ranges. This data will not be shared, nor will you receive junk mail. Reply to club Secretary at; [marvincoyle\\_54@verizon.net](mailto:marvincoyle_54@verizon.net) with your name and key number to be added.
- The Fort Hill Rifle & Pistol Club took in 25 new members on Saturday, March 12, 2011, so if you see some new faces at the range introduce yourself and welcome these men to our ranks, I'm sure they all have questions that you probably have answers to.  
This brings the number of dues paying FHRPC members to 356 plus 86 life members for a total membership of 442 as of this newsletter.
- The 140th NRA Annual Meeting and Exhibits will be Friday, April 29 – Sunday, May 1, 2011 in Pittsburgh, PA. I understand brochures will be available at the club house or by contacting John Dowell at 724-5866. For more information call 1-877-672-7632 or visit [www.nraam.org](http://www.nraam.org)
- Two First Aid Kits for gunshot trauma will be placed this spring at each range. At Morningside one will be in the club house ( red tool box marked as such ) the other kit will be at the Bulls-eye range under the pavilion in a green .30 caliber ammo can marked with a red cross. There will be two green ammo cans marked with a red cross at Warrior Mt. Range 2 (WMR2). They will be placed one at each pavilion. These are strictly gunshot trauma kits. Unfortunately, they will be bolted down and locked to keep them from being stolen. I need to find the time to finish attaching the latches and acquire the 3 pin combination locks. The combinations will be 911.
- Visit the clubs web page and surf through it for club information @ [www.fhrpc.org](http://www.fhrpc.org) . A BIG THANK YOU to Danny Jackson, Jr. for an excellent job as the webmaster.
- Now, get out of here and “GO SHOOT!”
