

# Dear Highpower Competitors,

Mankind has been struck by a potentially disastrous disease that requires each of us to do our part in lessening its impacts. Communal contact is the greatest factor in spreading the disease. We are all being asked to minimize such interactions and curtail any unnecessary gatherings. Therefore, the highpower program at Ft. Hill is being suspended until the environment clears sufficiently to allow recreational gatherings like our matches. We always look forward to the warmth of spring and joining you all on the field of competitive shooting, but this year our first meeting has to be delayed.

Stay tuned, as we will restart as soon as feasible. The schedule will likely just pick-up at some point in the current program and progress from that point as previously planned. We will leave up our original schedule for your reference and planning and will publish an updated schedule when we are clear on its contents (this message will be removed on the updated schedule).

Please stay safe and health and hope to see everyone very soon.

Thanks,

Dave Thompson
