There are also the usual fast food restaurants in Cumberland and LaVale, but while you are in the area, you really should try a meal where the local folks eat. You won't be disappointed. Also, if you get into town and have time Friday evening, enjoy "Friday After Five" in the heart of downtown Cumberland. Three or four bands at different locations playing a variety of music. Saturday evening there is "Music at Canal Place", a large outdoor stage with live entertainment, near the scenic Western Maryland Railway Station, adjacent to the new Fairfield Inn & Suites.
